The number of electives required in your degree plan varies and depends on how many classes you have taken which do not fall into the above requirements.

Unrestricted Electives in this degree program can fall outside of the School of Visual Arts and Design

For example, a student that arrives with no prior credit and that follows the exact plan listed above will need to enroll in twelve 3-credit courses as electives, and at least three of those courses will need to be upper level (3000-4000).

Proficiency equivalent to three semesters of college instruction in a single foreign language taught by the Department of Modern Languages and Literatures or Judaic Studies.
