Web Design Track Courses

Electives

The number of unrestricted electives required in your degree plan varies and depends on how many classes you have taken which do not fall into the above requirements.

A student that arrives with no prior credit and that follows the exact plan listed on this page will need to enroll in four additional 3-credit courses at any level (2000, 3000, 4000) in order to meet the University requirement of 120 credit hours.

Foreign Language

Proficiency equivalent to **one year of college instruction** in a single foreign language taught by the Department of Modern Languages and Literatures or Judaic Studies.

Standardized examinations for foreign languages may be used to meet the requirement.
