**Natalia Almada will present her film** *All Water has a Perfect Memory*, a poignant experimental documentary that explores the effects of tragedy and remembrance on a bi-cultural family. This moving piece lyrically meditates on the cultural and gender differences between the filmmaker's North American mother and Mexican father as they evoke the loss of their child.

Currently a Master Artist-in-Resident at the Atlantic Center for the Arts, Natalia has received the MacArthur, Guggenheim, USA Artists, Alpert and MacDowell fellowships. She graduated with a Masters in Fine Arts in photography from RISD and currently lives in Mexico City.
